

mosquitto\_psk\_key\_get

```
graph LR; A[mosquitto_psk_key_get] --> B[mosquitto_psk_key_get_default];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'mosquitto\_psk\_key\_get'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'mosquitto\_psk\_key\_get\_default'.
