

sub__messages_queue

```
graph LR; A[sub__messages_queue] --> B[retain__store];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'sub__messages_queue'. The right box is gray with a black border and contains the text 'retain__store'. A dark blue arrow points from the right side of the left box to the left side of the right box.

retain__store
