

sub\_\_messages\_queue

```
graph LR; A[sub__messages_queue] --> B[retain__store];
```

A diagram showing a flow from a box labeled 'sub\_\_messages\_queue' to a box labeled 'retain\_\_store'. The first box is white with a black border, and the second box is gray with a black border. A blue arrow points from the right side of the first box to the left side of the second box.

retain\_\_store
